Thank you for your interest in Chintimini Wildlife Center's Youth Education Programs!

We are excited to announce that we are able to offer 50% scholarships to each of our 11 camps this year! To those who qualify, Chintimini will provide one 50% scholarship per camp. Scholarships are limited to one per family.

An Application for Scholarship is enclosed. Scholarships are determined by assessing the total gross annual income to the federal poverty guidelines and low income percentages. Please provide copies of all your income so that we may determine if you qualify. If you receive Oregon Trail benefits, you only need to provide a printout that shows the income that you reported to the state and the amount they awarded you in cash and/or food assistance. You can obtain this printout at the front desk of your local Department of Human Services (DHS) office. Additionally, if your application is chosen, we ask that each child write a paragraph telling what they love most about nature.

Once you have gathered your information and filled out the paperwork, contact me by phone or email to set up an appointment. **Get your applications in early, as scholarships will be granted via qualifying income and on a first-come, first-served basis.**

If you have any questions or concerns, please feel free to contact me via phone or email. My contact information is listed below. I look forward to hearing from you soon.

Sincerely,

Ronda Wiggins
